Renovation project takes off at Park Air Express KCI

PARK AIR® EXPRESS

Park Air Express at Kansas City International Airport is currently undergoing a repaving project that will temporarily impact your visit.

We will remain open to serve you throughout the project!

Meanwhile, please make note of the following changes:

- Please allow adequate time (about 20-30 minutes) to reach the terminal after arriving at Park Air Express
- Car wash services will be temporarily unavailable

Please visit parkairexpress.com/kci for renovation and construction updates.
